

Tuesday 2 November 2021

Summit

- 16:30** **Registration and welcome reception**
- 17:00** **Inaugural address**
Liv-Runi Ekeland Syvertsen, Chair, Norwegian Energy Partners
- 17:05** **Opening remarks**
H.E Marte Mjøs Persen, Minister of Petroleum and Energy
- 17:20** **International market outlook**
Timur Gül, Head of Energy Technology Policy Division (ETP), International Energy Agency (IEA)
- 17:35** **International market outlook**
Jarand Rystad, CEO, Rystad Energy
- 18:00** **Networking break**
Coffee and some light refreshments will be served in the lobby

Moderator: Sjur Bratland, Managing Director, Norwegian Energy Partners

- 18:30** ***Industry associations' panel debate***
Knut Kroepelien, CEO, Energy Norway
Ståle Kyllingstad, Chair of the Board, Federation of Norwegian Industries
Harald Solberg, CEO, Norwegian Shipowners Association
Peggy Hessen Følsvik, President, Norwegian Confederation of Trade Unions

Moderator: Liv-Runi Ekeland Syvertsen, Chair, Norwegian Energy Partners

- 19:10** ***Industrial companies' panel debate***
Pål Eitrheim, Executive Vice President REN, Equinor
Kjetel Digre, CEO, Aker Solutions
Mads Andersen, CEO, Aibel
Raymond Carlsen, CEO, Scatec
Remi Eriksen, CEO, DNV
Birgitte Ringstad Vartdal, Executive Vice President, Wind and Solar Europe, Statkraft

Moderator: Sjur Bratland, Managing Director, Norwegian Energy Partners

19:50 ***Financial instruments***

Kjerstin Braathen, Group Chief Executive, DNB

Tone Lunde Bakker, CEO, Eksfin - Export Finance Norway

20:10 **Closing remarks**

Werner Karlsson, Director European Energy Clusters, Norwegian Energy Partners

20:20 **Some light refreshments will be served in the lobby**

Tuesday 2 November 2021

OIL & GAS SESSION

Moderator: Håkon Skretting, Director, Norwegian Energy Partners

08:15 **Registration**

09:00 **Opening remarks**

Liv-Runi Ekeland Syvertsen, Chair, Norwegian Energy Partners

09:10 **Equinor project portfolio and the energy transition**

Arne Sigve Nylund, Executive Vice President, Projects, Drilling & Procurement, Equinor

09:30 **The long-term outlook for gas in the energy transition**

Jeff Edwards, VP Shell Energy Integration & Fundamentals, Shell Energy

09:50 **Exploration activity on Russian continental shelf**

Vsevelod Cherepanov, CEO, Gazprom Nedra

Moderator: Gunn Vik, Director, Norwegian Energy Partners

10:05 **Petrobras Deepwater projects**

Eduardo Bordieri, Executive Manager Deepwater Assets, Petrobras

10:25 **The Atlanta field development project off Brazil**

Carlos Mastrangelo, Chief Operation Officer (COO), ENAUTA

10:45 **Networking break**

Moderators: Gunn Vik and Per Hagen, Directors, Norwegian Energy Partners

11:15 ***FPSO panel: A new wave?*** 12-minute introductions by the panelists

Fast4ward FPSO's for Guyana and experience of operating

Francesco Prazzo, General Manager, SBM Guyana

Redeployment of Bluewater FPSOs

Wim de Boer, Business Development Manager, Bluewater

Ambitions towards 2030

Rolf Normann, COO, Yinson Production

FPSO Fleet Digitalization – Our Journey Thus Far

Boyd Howell, Director of Sales & Marketing, MODEC

Fronting the decarbonisation of FPSOs alongside the energy transition

Stig Bøtker, Director Business Development, Altera Infrastructure Production

Next generation FPSO's

Carlos Mastrangelo, Chief Operation Officer (COO), ENAUTA

Q&A

Audience participation

13:00 Lunch

Moderators: Oddmar Johannesen and Bjørn Kahrs, Directors, Norwegian Energy Partners

13:45 *LNG panel: The fastest growing energy carrier the next 20 years*

12-minute introductions by the panelists

LNG: The future mode of gas transport

Iben Fürst Frimann-Dahl, Project Manager, Rystad Energy

FLNG Innovations to improve costs, commercial flexibility and emissions

Wouter Pastoor, COO, Delfin Midstream

A Company Delivering World-Firsts in LNG

Erik Stavseth, Commercial Manager, Golar LNG

Integration & Fundamentals

Jeff Edwards, VP, Shell Energy

Q&A

Audience participation

14:45 Networking break

15:05 **P&A and decommissioning opportunities in a changing world**

Sam Long, Business Manager, Decom North Sea

15:25 **Field life extension and the energy transition in the UK**

Tom Brighton, Energy Advisor UK, Norwegian Energy Partners

15:55 **The big projects are moving again in the US GoM**

Jan Eckhoff, Country Manager Oil & Gas USA, Norwegian Energy Partners

16:10 Concluding remarks

Tuesday 2 November 2021

HYDROGEN & CCUS SESSION

- 0900 **Welcome**
Eirik Melaaen, Director, Norwegian Energy Partners
- 0905 **Opening Remarks**
The Norwegian Ministry of Petroleum and Energy
- 0915 **Future of Hydrogen in Europe**
Stefania Gardarsdottir, Research Manager, SINTEF
- 0930 **Opportunities and future for Hydrogen and CCUS**
Marius Kluge Foss, SVP, Head of Global Energy Systems, Rystad Energy
- 0945 **A leading company in the energy transition**
Frida Eklöf Monstad, Senior Advisor Low Carbon Solutions, Equinor
- 1000 **Overview of hydrogen and CCUS projects in Australia**
Tore Moe, Regional Energy Advisor, Norwegian Energy Partners
- 1015 **NorthH2 - Europe's most ambitious wind-to-hydrogen project?**
Ingrid Fossgard-Moser, Manager Business Development, Energy Storage & Green Hydrogen, Equinor
- 1030 **AquaVentus – green hydrogen from offshore wind for 100% decarbonization**
Martin Gerhardt, Vice Chairman of the Board of AquaVentus and Senior Vice President, Offshore Platform and Portfolio Management, Siemens Gamesa Renewable Energy
- 1045 *Networking break*
- 1115 **European Hydrogen Backbone - Hydrogen Transport Infrastructure across Europe**
Niko Bosnjak, Head of Policy and Communications, Open Grid Europe (OGE)
- 1130 **An international player in the green shift and a leading distributor of Ammonia**
Lise Winther, SVP Technology and Projects, Yara International
- 1145 **Introduction to CCUS**
Eirik Melaaen, Director, Norwegian Energy Partners
- 1150 **CCS - From research to full scale-implementation**
Hans Jørgen Vinje, CTO, Gassnova
- 1205 **The Northern Light Project**
Børre Jacobsen, Managing Director, Northern Lights JV
- 1220 **Financing of the value chain in CCS and H2 + NH3**
Jan Erik Berre, Senior Vice President, Energy Transition Solution, DNB Ocean Industries

- 1235 **EU Taxonomy & ESG perspective**
Andreas Lowzow, Head of Financial Regulatory Practice Group and Sustainability Law Practice Group, Schjødt
- 1250 **Acorn CCS and Hydrogen project in Scotland**
Dewi ab Iorwerth, Head of Storegga Integrated, Storegga
- 1305 *Lunch break*
- 1345 **Low carbon hat-trick in the UK / The Humber project**
Henrik Solgaard Andersen, Project Director, H21 North of England and Zero Carbon Humber, Equinor
- 1400 **Safely re-using pipeline-infrastructure for hydrogen or CO2 transport – Key issues to be addressed**
Bente Helen Leinum, Senior Principal Engineer Pipelines and Flow, DNV
Lars Even Torbergsen, Senior Principal Engineer Pipelines and Flow, DNV
- 1415 **The Danish Greensand project - CO2 capture and reusing of offshore field for storage**
Johan Byskov Svendsen, Greensand Asset Manager, INEOS Oil & Gas Denmark
- 1440 **CCUS in the Netherlands at a glance; creating a system & the Porthos project**
Eric Kreft, Deputy Program Manager, Energie Beheer Nederland (EBN)
- 1445 *Networking break*
- 1505 **Stella Maris – Large scale CCS infrastructure solution**
Tore Lunde, Senior Advisor Business Development, Höegh LNG
Christian Fjell, Director, Sustainability, Alterra Infrastructure
- 1520 **Panel debate:
Energy for the future; H2, NH3 and CCUS role in the future energy mix. The way forward, opportunities and challenges**
Moderator: John Avaldsnes, Norwegian Energy Partners
- Panelists:
- Frida Eklöf Monstad, Senior Advisor Low Carbon Solutions, Equinor
 - Lise Winther, SVP Technology and Projects, Yara International
 - Marius Kluge Foss, SVP, Head of Global Energy Systems, Rystad Energy
 - Stephen Bull, Executive Vice President Renewables, Aker Solutions
 - Dewi ab Iorwerth, Head of Storegga Integrated, Storegga
 - Jan Erik Berre, SVP, Energy Transition Solution, DNB Ocean Industries
 - Andreas Lowzow, Head of Financial Regulatory Practice Group and Sustainability Law Practice Group, Schjødt
- 1610 **Closing remarks**

Wednesday 3 November 2021

OFFSHORE WIND SESSION

0850 **Welcome**

Sjur Bratland, Managing Director, Norwegian Energy Partners

0900 **Opening Remarks**

Amund Vik, Deputy Minister of Petroleum and Energy

0915 **The Global Market: Update and forecast**

Moderator: Jon Dugstad, Director, Norwegian Energy Partners

Panelists:

- Prajeev Rasiah, Executive Vice President & Regional Director, Northern Europe, DNV Energy
- Alastair Dutton, Head of the Offshore Wind Task Force
- James F. Bennett, Chief, Office of Renewable Energy Programs, Bureau of Ocean Energy
- Pierre Tardieu, Chief Policy Officer, WindEurope

1015 **Industry trends and challenges**

Moderator: Jon Dugstad, Director, Norwegian Energy Partners

Panelists:

- Stephen Bull, Executive Vice President Renewables, Aker Solutions
- Till Schwarzlose, SVP Offshore Development Floating and Hydrogen, RWE Renewables
- Ane Mette Lysbech-Kleis, Head of Market Development & Wind Farm Design, Vattenfall
- Matt Gleeson, Green Investment Group

1115 *Networking break*

1145 **The impact of oil majors' entry into offshore wind**

Moderator: Jarand Rystad, CEO, Rystad Energy

- Henning Eide, Corporate Affairs and Communications Director TotalEnergies
- Remko Wammes, Supply Chain Lead - Floating Offshore Wind, CP New Energies, Shell
- Alessandro Della Zoppa, Head of Renewables, Eni
- Jens Olaf Økland, SVP Renewables Business Development, Equinor

1300 *Lunch break*

1400 **How will supply chain develop in the coming years**

Moderator: Jørgen Brandt Theodorsen, Director, Norwegian Energy Partners

Panelists:

- Andy Strowbridge, Associate Director, BVG
- Anders Chabert Hylleberg, Head of CAPEX & DEVEX Procurement, Ørsted
- David Rowen, Chief Specialist, Business Development, Vestas
- Richard den Hollander, Business Development Director Renewables, Seaway 7

1530 *Networking break*

1505 **Value to add - from Norway - Development of the Norwegian offshore wind**

Moderator: David Ottesen, Director, Norwegian Energy Partners

Panelists:

- Martin Kjäll-Ohlsson, Vice-President, Offshore Power Lead Center, ABB Energy Industries
- Jose Jorge Garcia Agis, Deputy Managing Director, Ulstein International AS
- Arvid Nesse, CEO, Norwegian Offshore Wind Cluster
- Knut Erik Steen, Offshore Wind, Sector Lead Federation of Norwegian Industries

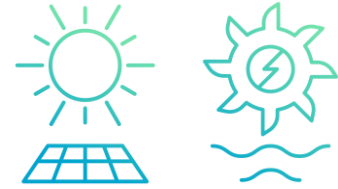

1700 *Networking reception*

Wednesday 3 November 2021

SOLAR & HYDROPOWER SESSION

- 08:00** **Registration**
- 08:30** **Opening remarks**
Liv-Runi Ekeland Syvertsen, Chair, Norwegian Energy Partners
- 08:40** **Welcome and introduction**
Gunn Vik, Director, Norwegian Energy Partners
- 08:45** **The Global Market - Update and forecast**
Thomas Benestad, Senior Consultant, Capgemini Invent
- 09:00** **Developers' need for new technology + project portfolio:**
Norwegian and international developers highlighting their need for specific technologies, inform as detailed as possible about their project- and upgrading plans (8 min each)
- Jürgen Tzschoppe, EVP - International Power, Statkraft
 - Olí Sveinsson, Director Hydropower - Research & Development, Landsvirkjun
 - Manuel Costeira da Rocha, Commercial Director H2, SmartEnergy
 - Hitesh Kumbhat, CFO, Kalpataru Power Transmission
 - Hans Olav Kvalvaag, Senior Vice President New Ventures, Scatec
 - Dan Klinck, CEO, East African Power
-
- 10:00** **Panel discussion with the developers:**
Moderator: Julie Wedege, Senior Vice President, Politics and Ownership, Statkraft
“How can Hydropower and Solar energy play a larger part of the total energy mix going forward, given the increased need for energy in the world and how can Norwegian supplier industry contribute?”
- 10:45** **Networking break**
-
- 11:15** **Technical solutions within digitalization/upgrading**
Norwegian Suppliers presenting their latest technical solutions within digitalization/upgrading
4 min each (focus on “what is new”)
- 13:00** **Lunch**
-
- 13:45** **Financing & guarantee support**
Norwegian and international financing/guarantee organizations presents products that they can offer the Norwegian energy industry:

-
- Craig Weitz, Principal, Export Credit Finance, Nedbank South Africa
 - Henric Thörnberg, Senior Advisor Nordic, Standard Bank
 - Yann Burtin, Senior Investment Guarantee Officer, MIGA
 - Vemund Vikjord, Adviser - Department for Climate, Energy and Environment, Norad
 - Mikael Reims, Vice President, Origination, NEFCO
 - Priyantha Wijayatunga, Chief of Energy Sector Group, Asian Development Bank

14:50

Q&A session

Moderator: Vilde Grønn Larsen, Senior Vice President, Eksfin - Export Finance Norway

“How can Norwegian developers and suppliers get financial support and what are the criteria to receive funding?”

15:20

Closing remarks

Oivind Johansen, Assistant Director General at Ministry of Petroleum and Energy

15:30

Networking break

15:45

B2B meetings
